

 envida

more than
a service.
our passion.

what is envida?

envida, formerly Amblicab, integrates transportation and homecare to support independent living. We have been serving Colorado Springs and the Pikes Peak Region for more than 45 years. At envida, we know from experience that maintaining independence at home is your most affordable option and keeps you healthier. We provide our services with compassion, respect, and dependability to enable our clients to realize their full potential in our community.

en•vida

life is meant to be lived to its fullest, regardless of your age, mental or physical capabilities, or social status. envida represents the power of the collective to help everyone thrive.

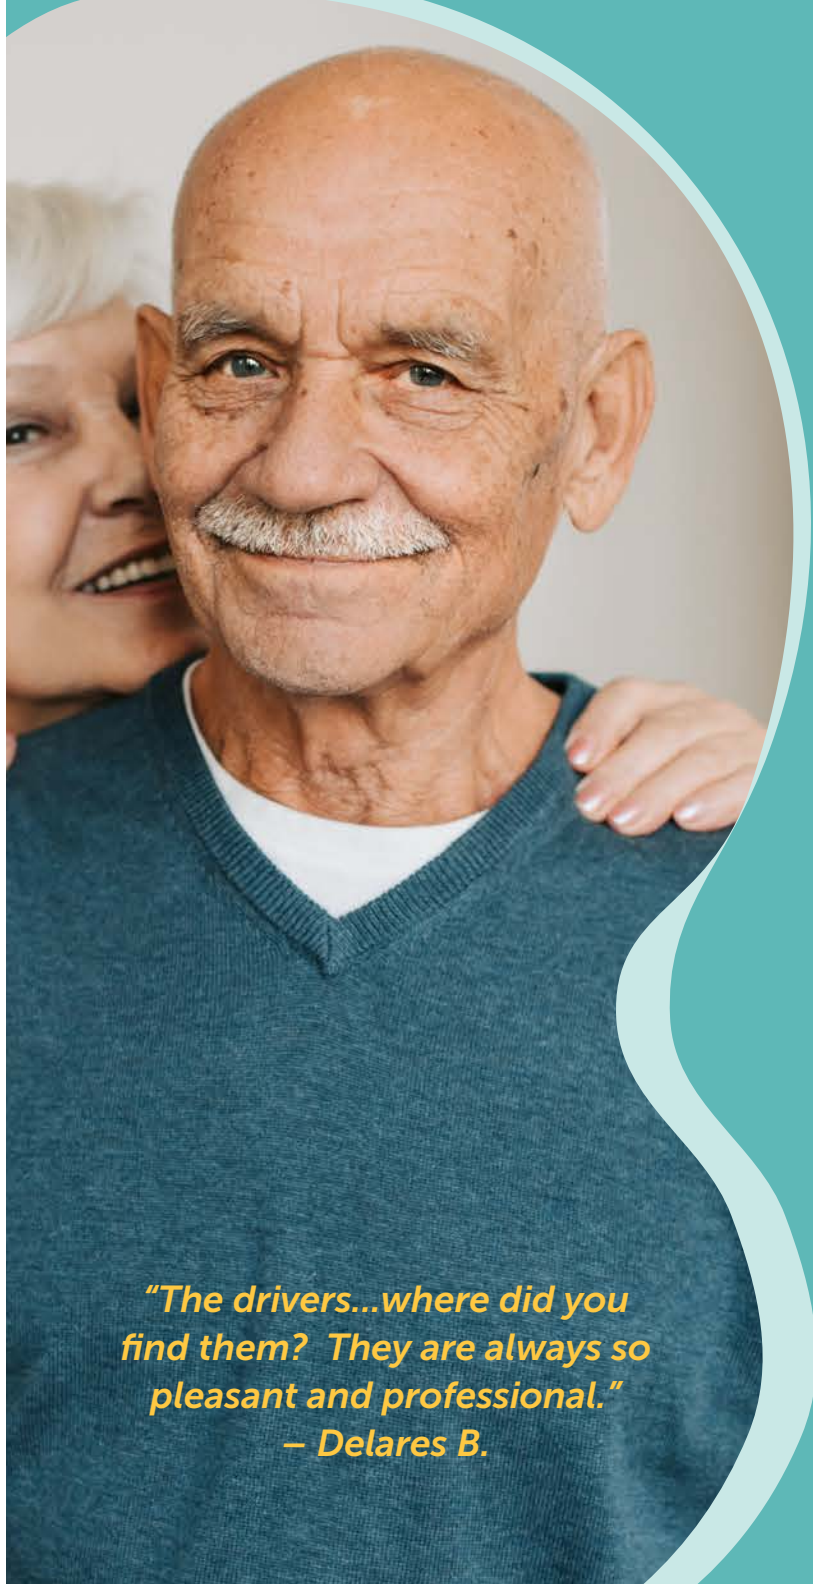

transportation for living fully

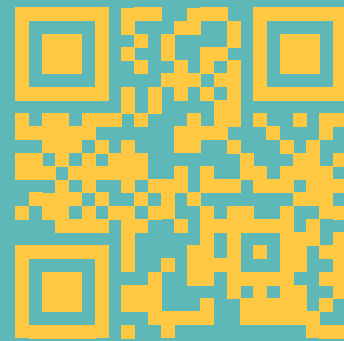

envida moves people. We help riders from inside their homes and then into their appointments. Serving the disabled, seniors, and the economically disadvantaged, we transport individuals to medical appointments, adult day programs, work and volunteer activities, education classes, and recreation activities.
